5. Procedure

5.1 Raising Complaints

A complaint can be received by Care For Freedom Ltd either verbally or in writing and can be made by:

- | Clients
- | Someone acting on behalf of a Client and with their written consent, e.g. an advocate, relative, Member of Parliament
- | Someone acting on behalf of a Client who is unable to represent his or her own interests, provided this does not conflict with the Client's right to confidentiality or a previously expressed wish of the Client

Care For Freedom Ltd will ensure that Clients are given information on how to make a complaint and the process once a complaint has been made, including any agreed timescales.

5.2 Time Limits for Submitting a Complaint

Complaints should be submitted within 12 months of the incident or concern arising.

The time limit, however, can and should be waived, if:

- | It is still practical and possible to investigate the complaint (the records still exist and the individuals concerned are still available to be questioned, etc.) and
- | The complainant can demonstrate reasonable cause for delay in making the complaint

It is at the discretion of the manager of the service if the time limit can be set aside.

5.3 Complaints Procedure:

Step 1

When a complaint is raised to staff, staff will make an effort to resolve it immediately to the satisfaction of the complainant.

Step 2

Staff will apologise for the fact that there was the need to complain in the first instance and explain the complaints process as described in the procedure steps.

Step 3

Staff will report the complaint to the most senior member of staff on duty and the complaint will be logged.

Step 4

Formal acknowledgement of all complaints received (whether verbal or written) will be sent within 3 working days to the complainant. This could be via letter or email. Care For Freedom Ltd will have a local system in place to manage out-of-hours and weekend complaints received.

The acknowledgement will include:

- | An invitation to meet and discuss the complaint
- | Who will be investigating the complaint
- | How the investigation will be handled - the response should state what the investigation will be focussed on
- | A time limit for the investigation to be concluded. This should be 28 days; however, some cases may take longer and the complainant will be made aware of this
- | The complaints procedure and contact details of bodies that can be accessed in the event of dissatisfaction with the outcome of the investigation

Step 5

Following a full investigation, a response letter will be sent and this will include the following:

- | A summary of the issue from the complainant's point of view
- | Details of the evidence and sources consulted in order to investigate the issue fully and fairly
- | A presentation of the findings for each issue clearly and concisely described
- | A conclusion, stating clearly whether the issue is "upheld", "partially upheld" or "not upheld"; unless it is ineligible, in which case the reason for this will be given, e.g. out of time or out of jurisdiction
- | An explanation of the outcome and whether any remedial action or learning points arise from the investigation of that issue
- | An apology where the issue is upheld and shortcomings or failings have been found
- | The complainant's rights if not satisfied with the outcome to refer to The Local Government and Social

Care Ombudsman

- | A signature from the responsible individual or sent by email in their name

Step 6

The complaint will be closed once confirmation has been received that there is satisfaction with the outcome. In the event of dissatisfaction, Care For Freedom Ltd will support the complainant to access further support (refer to section 5.6)

5.4 The Complaints Log

A record will be held of all complaints raised and contain the following information:

- | Each complaint received
- | Subject matter and outcome
- | Details of any reason for delay where investigations took longer than the agreed response period
- | The date the report of outcome was sent to the complainant

Where complaints relate to a Client, a copy of the complaint will be held in their care records so that the Client can reflect on the recommendations.

Where complaints are raised by telephone, the log will include the date and time of the call and this will be followed up with written confirmation of the areas discussed.

Where a complaint indicates the potential abuse of Clients, safeguarding policies will be followed as per local authority expectation and necessary notifications made to the regulatory body. Where care is commissioned by Hertfordshire County Council their reporting procedure for notifying them of complaints will be followed.

Where complaints are to be shared as part of learning, the complaint will be anonymised so there is no identifiable Client information.

5.5 Investigations

All investigations will be managed by using the following approach:

- | Investigating the fact
- | Assessing evidence
- | Review of records
- | Interviewing those involved

Where necessary, advice and support will be sourced via senior managers within the organisation. The complaint must be investigated by a member of staff with the knowledge, experience and seniority to undertake the investigation robustly.

Confidentiality of information will be considered at all times and staff will adhere to the confidentiality policies and relevant codes of practice.

If an investigation of a complaint results in disciplinary action of staff within Care For Freedom Ltd, the complaint will continue to its conclusion. 8. How We Handle Complaints

The Registered Manager or Care For Freedom Ltd may ask one of the management team to investigate the complaint. That person will have enough seniority and experience to deal with the issues raised by the complaint.

We will formally acknowledge a complaint within **3** working days and give you the name and contact details of the person investigating it.

We will keep you informed about the progress of the investigation. We aim to have all complaints finished within **28 working days** unless we agree a different time scale with you.
